Dear Friends and Members of Centre Church,

On Sunday, June 8th, we will hold an All-Church Gathering entitled “Who Are We?”

This is Step Two in our ongoing “*Journey in the Spirit*”. The event will take place right after Sunday’s worship service and will include a light luncheon as well as a presentation and discussion of our collective church “Enneagram”.

To participate, please prepare ahead of time by using this link to take a FREE Enneagram Survey.

<https://assessment.yourenneagramcoach.com/>

You can take a more in-depth survey for \$29 to get a more detailed read-out of your findings.

For more information on this project and how we plan to use our Enneagram results, please watch this [instruction video](#) created by Rev. Tom.

If for any reason you need to bypass the online survey, a self-scoring print survey is available at the church in the Narthex.

Once you’ve completed your survey, please print out or write down the basic results provided.

What is most important is recording your highest number plus the two next highest numbers from the nine “Types” measured in the questionnaire.

Also please register your plan to attend on June 8th. A registration list will be available for signing in the Narthex during Coffee Hour after worship and by emailing office@centre-church.org or calling the Church office at 781-334-3050.

Thanks to all for coming along in the *JOURNEY*.

Yours in faith and service,

Rev. Tom and the staff at Centre Congregational Church, Lynnfield.
