

March 2025: We are now viewing and discussing Season 4. Please join in at any time. You can review past seasons on Amazon Prime and other streaming services, but being up to date is not necessary.

Since November 2024, we have continued our weekly viewing of the series "The Chosen" to help folks discover the story of Jesus. This production is excellent and has received numerous awards. ([The Chosen | Rotten Tomatoes](#))

The weekly gatherings are on Thursdays at 1:30pm. We watch a single episode of the series each week and then meet for about a half hour to discuss it.

Please join us for one or all of these midday gatherings.
